

## RESULTS 2017

### GCSE RESULTS

2017 was our best year for A\*s with 33% of all results graded with the top mark (see trendline chart below right). The results were extremely strong across this cohort of 85 15s (Year 11 pupils) and can be summarised as follows:

- 100% 5 A\* - C grades
- 66% of all grades A\*/A
- 18 pupils achieved straight A\*/A grades

Attainment in the core subjects, including languages, was particularly notable and is outlined below:

- 86% A\*/A English Literature
- 70% A\*/A Mathematics
- 100% A\*/A Latin
- 78% A\*/A French
- 69% A\*/A Spanish
- 82% A\*/A Italian

\*For Mathematics, grades 9 and 8 are counted as A\*, 7 as A, 6 as B etc.

*Above:* Nicole celebrates excellent GCSE results with her parents, Ms Oldacre, Head of Science, and Mr Hooke. She received A\*s in Biology, Chemistry and Physics and Ms Oldacre is thrilled to be teaching her Biology as one of her four chosen A Levels.

### CONGRATULATIONS TO ALL OUR PUPILS ON THEIR RESULTS!

## HARRODIAN

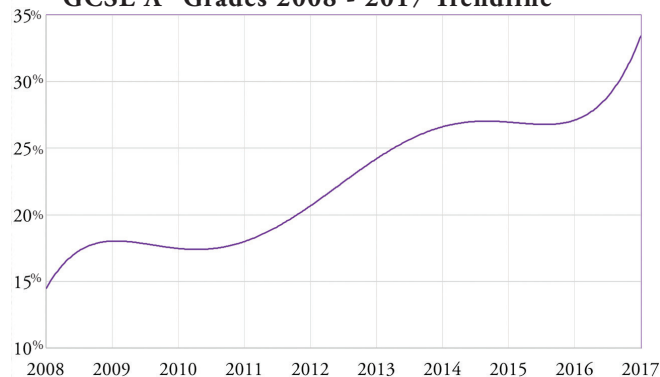

### 16+ HARRODIAN AWARDS

Congratulations to our two 16+ Harrodian scholarship winners for achieving outstanding GCSE results. Christian, who joined Harrodian in Reception, succeeded in gaining ten A\*s and the top mark in Additional Maths GCSE and Anatol received nine A\*s and one A. Academic Exhibitions were also awarded to Carolina Ottochian, Beata Luchanskaya and Amira Al-Zuhair for their impressive achievements.

*Above:* A group of our top students are congratulated by Mr Hooke and Ms Thomas, Head of English. Proudly displaying their GCSE results from left to right are: Jorge, Youmna, Carolina, one of our Exhibition scholars, Anatol and Christian behind, our two 16+ scholarship winners, and Ariana.

GCSE A\* Grades 2008 - 2017 Trendline

### 13+ COMMON ENTRANCE

Our top achiever, Nara-May (13N), *centre left*, was awarded the Rossetti Award for Academic Excellence following her outstanding success in the CE 13+ examinations where she recorded an excellent overall mark of 87% across all subjects and over 90% in French, Italian and Latin. Together with fellow high-achiever, Grace (13M), both girls were presented with 13+ Senior Scholarships for their impressive examination results. Isabela (13T) and Jude (13E) also scored highly and were awarded with Exhibitions. All girls are featured here, *left*, at their Prize Giving ceremony in the summer.

## A LEVEL NEWS

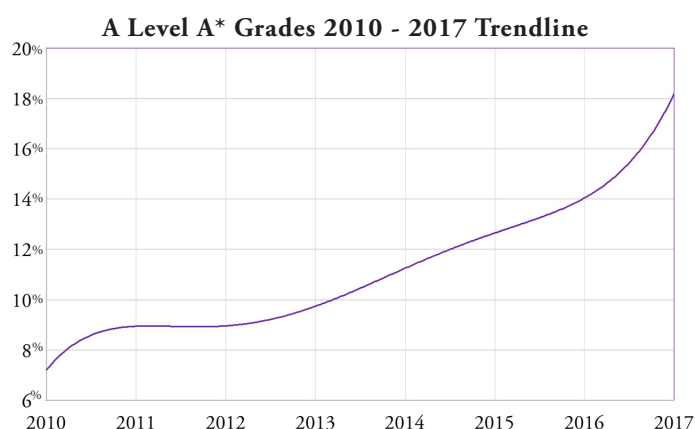

### A LEVEL RESULTS

At the beginning of last year, Mr Hooke, Mrs Locke, Deputy Head, and Mr Behan, Head of Sixth Form, implemented the new A Level reforms. This involved dispensing with AS Levels and moving away from coursework to end-of-course linear examinations. Both our Sixth Form students and their teachers embraced the change and seamlessly adapted to the academic reform. This year's success rate is as impressive as in previous years, if not more so, with a new record achieved in the number of A\* grades (see trendline below). There were 78 Upper Sixth students in the year group and their results can be summarised as follows:

- 100% pass A - E
- 50% of all grades A\*/A
- 78% of all grades A\*/A/B
- High success rate in core subjects: 68% of all grades were A\*/A in English Literature and 70% in Maths and Further Maths

*Above:* Mr Behan celebrates on results day with two of his top Economics students who have chosen to read the subject at university - Tom (A\*/A/A) and Luke (A\*/A/\*A) – but also Tallal (A\*/A/\*A\*) and twins Ela (A\*/A/A) and Hakan (A\*/A/\*A\*). Ela and Hakan are not the only twins to enjoy success; both Leo and Emmie Seknadje, have turned down places at King's College and the University of Birmingham to study at equally respected further education establishments abroad.

**CONGRATULATIONS TO ALL  
OUR SIXTH FORMERS!**

## HARRODIAN

### UNIVERSITY UPDATE

Most of last year's Upper Sixth have now commenced their degree courses, either in the UK or overseas (see destinations of leavers below and opposite), whilst the remaining few have embarked on exciting gap year projects. 72% of our A Level students succeeded in gaining places at their first choice of university or college with 70% at Russell Group universities.

*Above:* Sam was awarded three A\*s in English Literature, History and Music and is the first Harroddian to read Music at the University of Cambridge. He is photographed here sharing the news with his delighted Music teachers, Mrs Ashe, Director of Music, and Mr Huelin.

### STAR PERFORMERS

An impressive 31 students achieved the equivalent of three As or better and on average every single Upper Sixth student attained the equivalent of A/B/B.

The following six students gained straight A\*s:

George Drayson	Sam Tannenbaum
Leo Barbour	Tallal Mirza
Hakan Serpen	James Dawson

### SIXTH FORM SUITE

Our current Lower and Upper Sixth students are taking advantage of a new bespoke Sixth Form suite, on the top floor of the Senior building, that opened this term. The suite, *right*, comprises of approximately 8500 square feet of teaching and study space. There are eight new teaching classrooms equipped with the most up-to-date technology and a spacious, purpose-built study area complete with computers, projector and a large screen for presentations. Our Sixth Form is not looking to increase pupil numbers and will continue to offer an excellent 16+ education whilst maintaining its intimate and friendly ambience.

*Above:* All four girls are congratulated by Ms Caldecott, Head of Art, for their results in Art A Level. Georgina, Alice and Daisy are three of the seven students that have embarked on Art Foundation courses at Art College while Maddie has chosen to read History of Art at university.

## AWARDS & ACHIEVEMENTS

### HEAD BOY & HEAD GIRL

Our thanks to last year's Head Girl and Head Boy, Kitty Giddings and George Drayson, and congratulations to their successors this academic year, *right*. Samantha, a keen reader and avid participant in English literature events, is studying Mathematics, English and Biology for her A Levels and has her heart set on a Zoology course at university. She is also captain of the Sixth Form rounders team. Oliver is studying Mathematics, Chemistry and Biology and hopes to read Natural Sciences at university. He is also a highly accomplished public speaker and at the beginning of last year established a Senior School Lecture Society that continues to enjoy an avid following.
