Absence: *through Sickness*

Parents are asked to telephone (020 8748 6117) or email the school office (absence@harrodian.com) as soon as possible and before 8.30 a.m. if a child is to be absent through sickness.

Please note that if your child is sick for a continuous period of five days or more (including weekends) you are eligible to apply for a refund of school fees through our Fees Refund Scheme. Claim forms are available from the Admin Office.

Absence: *Leaving the School Premises*

Should a pupil need to leave school during or before the end of the day to attend an appointment, please email absence@harrodian.com to request permission.

Once permission has been granted:

Prep pupils (8s to 12s) must sign out in Reception

Senior pupils (13s to 15s) and Sixth Form students must sign out in the Senior School Secretary's Office.

When this has been done, they will be free to leave the school.

All other requests for absence should be made in writing to the Headmaster well in advance.

As absence from school is disruptive not only to the learning of the individual, but also to the class as a whole, pupils are expected to attend school throughout term time. Holiday dates are published well in advance and we expect parents to plan their holidays to fall within these dates.

Requests for absence during term time for non-urgent reasons – for example, cheaper flights, co-ordinating holidays with siblings at other schools – will not be accepted. Parents must also ensure that sufficient time is factored into arrangements to travel to the airport / station etc. to check in on time.

Parents are asked to book non-urgent medical and dental appointments for their children outside of school hours or during half-term and end-of-term holidays to prevent disruption to the school day.

Missed Work due to Absence (Prep and Senior Pupils)

- Absence due to sickness for one or two days

If a pupil is absent due to sickness for up to two consecutive days, it is his/her responsibility to liaise with subject teachers on his/her return to school, or via email, to catch up on any missed work.

- Absence due to sickness for more than two days

If a pupil is sick for more than two days, his/her parent/guardian must contact the subject teachers directly via email to request the missed work.

- All other absences

If a pupil knows that he/she will be missing a day or more of school, he/she must collect his/her work from the subject teachers prior to the absence.

Missed Work due to Absence (Sixth Form)

If a Sixth Form student misses school due to sickness or for any other reason, it is the student's responsibility to liaise with relevant subject teachers to catch up on missed work.

Absence of Parents

When parent/s are away overnight or for a 24 hour period or longer, the Headmaster must be notified in writing with the name, address and telephone number of the adult who will have care of the pupil/s.

Activities

Most activities take place during lunch break (with the exception of some that take place after school) allowing pupils sufficient time to partake in activities and enjoy their lunch. Pupils receive a list of activities that are available each term. Most activities are free of charge. Pupils may, however, be charged when specialist tutors or equipment are employed. Once a pupil is committed to an activity, we expect him/her to attend regularly.

- Off-Site Activities for Pre-Prep, Prep and Senior Pupils

During their attendance at school, pupils may be involved in a range of activities which take place near the school. Examples of such activities are: running club, House running competitions, excursions to Barnes village, the reservoir, wetlands and other local amenities etcetera. Unless you inform the Headmaster in writing to the contrary, we assume parents give consent for their children to participate in these local activities, under staff supervision.

Admissions Policy

The school's ethos is that children should be encouraged to reach their full potential - academically, physically and socially - in a happy atmosphere. Good manners and consideration for others are expected. European and global awareness is encouraged.

The school aims to take an individual and equitable approach to all applicants.

The school aims to provide a challenging academic education for girls and boys. The school also aims to provide a full and rounded education which helps to develop pupils morally, spiritually and socially, as well as intellectually.

The school is an independent fee-paying school. The principal points of admission are at 4+, 8+, 11+, 13+ and 16+, with pupils occasionally being admitted at other times when vacancies arise.

Admission to the Pre-Prep School is by interview.

Admission to the Prep School is by assessments and interview.

Admission to the Senior School is by examination at 13+ Common Entrance or the school's own examinations followed by an interview.

Admission to the Sixth Form is by assessment, interview and high attainment at GCSE.

The Harroddian also seeks references from any prospective pupil's school to assist in determining whether the child is ready to join the school.

The school currently operates a sibling policy for children entering Reception, where priority is given, where possible, to siblings of established Harroddian families.

Offers of sibling places into Reception will be made in order of date of registration. Priority will continue to be given to siblings where possible, but is not guaranteed.

The school is non-denominational and within its student body has a tradition of religious, ethnic and social diversity, which it seeks to preserve as far as possible. The school offers support to children of ability who prove to have mild specific learning difficulties.

- Conditions of Entry

- Fees are due for payment on or before the first day of each term.
- A mandatory Personal Accident Insurance and premiums for a mandatory School Fees Protection Insurance will also be added to the invoice as well as mandatory charges for lunches and books, workshops and trips where relevant.
- One term's notice in writing is required before removal of a pupil or one term's fees in lieu thereof.
- The school reserves the right to apply increases from time to time.

Parents must notify the school if their children have been in contact with any infectious diseases.

Arrival, Registration and Attendance

Prep and Senior pupils may not arrive in school before 8.00 a.m. unless attending a supervised club, trip or event. Pre-Prep children are asked to wait quietly outside their classrooms until 8.30 a.m. so that they are in time for registration at 8.40 a.m. All Prep and Senior pupils should be in their Form Rooms by 8.30 a.m. for morning registration at 8.35 a.m.

If a Prep or Senior pupil arrives late to school after registration (i.e. after 9.00 a.m.), he/she should sign the Signing In/Out Book either in Reception (8s to 12s) or sign in in the Senior School secretary's office (13s to Sixth Form). If a pupil has arrived late and not signed in, parents will be called by a member of the administrative staff as part of our registration procedure in order to verify and authorise school absence. Such a phone call could cause unnecessary anxiety to parents if they believe their child is in school. We therefore stress the importance of all pupils signing in if they arrive after morning registration. Any Senior pupil who does not sign in late will be placed on a lunch-time detention.

Pre-Prep children who arrive late should go to their classroom immediately.

Senior School pupils who are persistently late may be detained after school by their Head of Year, once appropriate notice has been given to parents.

Some Sixth Form students have permission to leave school early if they do not have lessons. A record of these students is held by the Senior School secretary.

Under no circumstances should pupils leave the premises without permission. Pupils leaving the premises without permission may face immediate suspension.

Assemblies

Assemblies are held in the Theatre at 8.45 a.m. for the Pre-Prep and 8.40 a.m. for the Prep and Seniors. Assemblies are broad in theme and may involve music, drama, guest speakers, sports news and a celebration of pupils' achievements. Parents are welcome to attend. We rotate assemblies around the week between Pre-Prep, Prep and Seniors/Sixth Form as follows:

Monday - Pre-Prep

Tuesday - Prep

Wednesday - Senior

Thursday - Pre-Prep

Friday - Upper Prep / Lower Prep rotation

On other days, pupils are involved in class or year assemblies or in form periods with their Heads of Year.

Please note that no food or drink may be taken into assemblies in the mornings (even if it is from our wonderful café . . .).

Awards and Scholarships

The Harroddian currently offers awards at both 13+ and 16+ for Harroddians moving into our 13s (Yr 9) via Common Entrance or our Sixth Form via GCSEs. Scholarships or Exhibitions are awarded based upon outstanding performance either at 13+ (including bespoke Scholarship papers) or at GCSE and are at the sole discretion of the Headmaster.

The Dreyfus Award is also awarded annually in the Summer Term to a member of a long-standing Harroddian family in the 12s graduating into our Senior School, who has contributed widely throughout the Prep School and excelled across the broad Common Entrance curriculum. A good record of behaviour and contributions to the Harroddian community are also essential.

Beyad Shield

Donated by the Chairman and founder of our Parents' Association, the Beyad Shield is awarded once a term to a pupil who has demonstrated a high level of citizenship. This award rotates around the Pre-Prep, Prep and Senior Schools.

Bullying Incidents

Should you have any concerns regarding a bullying incident, please contact your child's Form Teacher who will investigate without delay.

Café

The café is open throughout the day. Pupils, with the exception of prefects, Student Council members wearing their badges and Sixth Formers, may only use the café before or after school for take-aways. **Food and drink purchased in the café must not be taken into our Pre-Prep, Prep and Senior assemblies in the Theatre / Auditorium**, nor may breakable crockery and glasses be removed from the café. Dogs are not allowed in the café. The café closes at 5.30pm and over lunchtime from 2.00-2.30pm. Parents are requested to leave the café by 9.30am daily.

Car Engines

We request that parents/drivers turn their engines off whilst waiting to collect children. They may not leave their engines running.

Car Park

The school is fortunate to have a large car park and we ask everyone to be considerate to others when parking. Staff on duty in the car park have the authority to ask drivers to park in allocated areas for Health and Safety reasons and to ease the flow of traffic. Please comply with any such instructions and be respectful to staff on duty. Parents do not have the automatic right to park on site and this privilege can be withdrawn. Parents are asked to avoid parking to the left of the car park (Lonsdale Road side), as members of staff park one behind the other in this area. In the rest of the car park, we have two lanes of parking in the middle section. This is only possible if parents park as far forward as possible to allow another car to park behind, without restricting the flow of cars around the car park. Please note that parking is banned in the gravel driveway alongside the Senior Building.

Sixth Form students may not park on the school site unless prior permission is granted by the Head of Sixth Form for special reasons.

Parking on the school site is at the driver's own risk.

During busy times it may not be possible to park on the school site. There is, however, plenty of parking in adjacent streets, only a short walk from school. Please park considerately and display respect and courtesy to our neighbours and to each other at all times. It is unacceptable to block our neighbours' driveways.

If parents employ a regular driver or taxi service, it is their responsibility/duty to inform them of the above in order for them to comply with our car park regulations.

Parents may not leave their cars in the school car park whilst they go for a run, walk their dogs etcetera.

CD Players/Mini Discs/iPods

Members of the Sixth Form may use them in the Senior Library during private study periods (as long as there is no noise leakage from the ear pieces). The Headmaster does not wish for personal stereos to be generally visible during the working day. Therefore they may not be used

- in the lunch room
- between lessons
- during lessons (including Art)

The school does not, however, take any responsibility for the loss or damage of such items.

Class Co-Ordinators

The HSPA encourages inter-parental communication via a designated class co-ordinator. Should you wish to share your details with your child's class co-ordinator, please opt in by signing and returning the form sent to all parents in the August mailing.

Class Structure

The school reserves the right to alter the structure of any classes at any time.

Pupils joining Reception classes are likely to be regrouped after two years (changing from Pre-Prep 1 to Pre-Prep 2). This process is repeated when children graduate from Pre-Prep 3 to the 8s (Year 4) and thereafter on the advice of the Head of Year and Heads of Prep and Senior Schools.

The school reserves the right to move a child from one class to another on educational, behavioural or pastoral grounds. The school also reserves the right to move a pupil from one set to another, in those subjects that are setted, without prior consultation with a parent. Parents will then be notified in writing of the change.

Communication between Parents and School

The Harroddian prides itself on its open-door policy and encourages strong links between staff and parents. If parents have any concerns about their child at school, they should first speak to their Form Teacher. Informal meetings can usually take place at the beginning or end of the school day, but occasionally, due to time constraints and other commitments, it may be necessary to make an appointment.

For more formal meetings, parents are asked to arrange them directly with the Form Teacher, Head of Year or Head of Department (for academic matters). Should the matter need to go any further, it is brought to the attention of the Head of Pre-Prep, Head of Lower or Upper Prep, Head of Seniors, Head of Sixth Form, Deputy Headmistress/Director of Studies or the Headmaster.

Parents may also be contacted from time to time by subject teachers, Form Teachers, Heads of Year, etc. if the need arises.

At the beginning of each half term, the school produces a Parent Bulletin which contains details of forthcoming events, changes in staff and any general information regarding the school.

Letters and notices are sent home to parents via children (please check bags regularly to ensure all correspondence has reached you), post or email.

Parents are asked to notify the School Office immediately in writing of any change of address, email address or telephone number.

Please note that it is the responsibility of parents to inform their class co-ordinators of any changes to their current details.

Community Work and Charities

The school is proud of its tradition and commitment to supporting the local community and instilling in our pupils a thoughtful and considerate attitude towards other people. Harrodians are expected to treat each other with courtesy, respect and dignity and these values form the cornerstone of the school's ethos.

All pupils have the opportunity to engage with the community and to support charities through a range of avenues available to them. The school, in conjunction with the HSPA, has donated approximately £750,000 over the last twelve years to various local, national and international charities.

Over the period, the following organisations and causes, amongst others, have benefitted from Harrodian fundraising;

- *Castelnau Community Centre*
- *Chelsea and Westminster Hospital Paediatric A&E*
- *ChickenShed*
- *Cancer Research UK*
- *Family Friends*
- *Homestart Richmond*
- *Hope and Homes*
- *Jeans for Genes Day*
- *Movember*
- *NSPCC*
- *Ovarian Cancer Action*
- *Royal British Legion Poppy Appeal*
- *Samara's Aid Appeal*
- *Save The Children*
- *The Blood Fund*
- *Uchira Children's Fund*
- *Viera Gray House*

Every year our pupils, either individually or in teams, choose to support a wide range of charities. They are keen to make a difference and fundraise through an amazing range of activities. Recent highlights include multiple collections for the Imperial College Healthcare Blood Fund and Princess Alice Hospice, where Pre-Prep staff took part in a 'Santa Run' in Richmond Park. Another valiant collective effort this year has been the annual Sixth Form Charity Dinner. This raised records sums, over £18,000, of which the main beneficiaries were the Daniel Spargo-Mabbs and UK Stem Cell Foundations. Individual efforts have been similarly impressive. One of our Lower Sixth students, despite his fear of heights, organised a sponsored charity skydive that raised over £6,000. One of the 14s pupils walked to and from school each day for two weeks carrying a heavy 20 litre jerry can of water to highlight the considerable number of people worldwide with no access to clean water. Thanks to her efforts *charity: water* received over £5,000. Also hugely notable has been the work of the 14s and 15s pupils who every Christmas raise money to buy and wrap presents for all the children supported by the Sutton Women's Centre.

In the Senior School, the 13s flagship charity project, the Harroddian Youth Philanthropy Initiative (HYPI), a programme unique to the school, has gone from strength to strength. Pupils have continued to investigate social issues, interact with over 20 different local charities, fundraise in and out of school and help build caring communities. This year the quality of presentations given to a judging panel of VIPs was outstanding. Two teams were nominated for prizes; First Touch and Trinity Hospice winning £4,500 between them.

Out in the community, Senior pupils are actively engaged across the local area as part of the work they commit to under the Duke of Edinburgh Award scheme. This includes neighbourhood schools, rest homes and community centres, in particular; Viera Gray House, the Castelnau Community Centre and Thomson House School. Local projects are supported through the school's charity work, including several good causes such as the East Sheen Christ Church Community Hall Appeal, the Barnes Charity Fashion Show, Food Fair and the Barnes Trail.

Throughout all this activity, the School teaches pupils the importance of community awareness and responsibility.

Complaints Procedure

Since its founding, the school has prided itself on the quality of its teaching and pastoral care. It works hard to ensure each pupil makes good academic and social progress throughout his/her time with us.

All schools, however, receive complaints from time to time. We are, of course, open to expressions of genuine dissatisfaction and believe that all complaints we receive should

be treated seriously and investigated fully and fairly.

The school will always try to resolve complaints informally and in an amicable fashion. The school's Complaints Procedure is divided into Informal and Formal Stages, and it is expected that the majority of complaints will be resolved quickly at the Informal Stage.

Should you wish for more information, then please request a copy of the school's Complaints Procedure from the School Office.

Counsellor

The school has a counsellor who offers a self-referral system which allows pupils in the 11s through to Upper Sixth to "drop in" for sessions. Pupils in the Lower Prep (8s - 10s) and Pre-Prep will require consent from a parent/guardian. Appointments are made via email to: adele@monsef.com. The counsellor is available on Tuesdays.

For more information on counselling in school, please contact the Admin Office.

Curriculum Handbooks

Curriculum Handbooks for each year group can be accessed / downloaded from the school website. In addition, parents are welcome to discuss any aspect of their child's curriculum with our Director of Studies, Mrs Heather Locke.

Cycling

We encourage pupils to cycle to school, especially in fine weather and while the afternoons are light. We urge all cyclists to wear helmets and reflective clothing for their own safety. Cyclists must dismount once they are within the school grounds and must walk their bikes in/out of school. All bikes must be stored and locked in the racks provided.

Detentions After School

If a pupil is issued with an after-school detention, he/she will be notified 24 hours in advance. It is the pupil's responsibility to write it in his/her Planner and to inform his/her parent/s of the detention. As Planners are only signed off weekly by parents, it is therefore good practice to check your child's Planner on a daily basis.

Dogs

Please note that dogs must be kept on a leash whilst in the school grounds and parents/carers are responsible for cleaning up any mess.

Dogs may not be tied up and left unattended.

Dogs are strictly forbidden from entering the school buildings and café.

Dress Code

It is important that pupils register in correct clothing at the start of morning and afternoon school, and parents are asked to assist us in ensuring that pupils adhere to the dress code. All items of clothing must be **clearly labelled**.

Flip-flops

Excessive body jewellery

Earrings for boys

Students in the Sixth Form are the ambassadors for the school. The example they set is followed by younger pupils and they are therefore encouraged to dress smartly. Immediate response to changes in fashion may require staff to apply their judgement to ensure appearances are acceptable and reasonable.

Emergency Procedures

In the event of an emergency evacuation of the school buildings, the alarm will sound and pupils will be led quickly and in silence to the field behind the Dining Room, where a register will be taken.

Pupils will then be led back to their classrooms to await further instructions. On no account may any pupil leave the school site without permission.

In the event of an emergency evacuation of the school site, the school has an agreement with St Paul's Boys School to evacuate to their school site.

End of School Day / After-School Supervision

All Reception children finish at 3.15 p.m. Monday to Friday. There is the option for Reception children to be collected at 1.00 p.m. on Fridays directly from their classroom. This is on a termly basis only and such arrangements should be discussed with the class teacher and confirmed by letter to Ms Lucy Horan. All other Pre-Prep children finish school at 3.25 p.m. from Monday to Thursday and 3.15 p.m. on Fridays.

Pre-Prep pupils who wish to play in the French garden or on the putting green must be supervised by a parent/carer. During the school's supervised Pre-Prep break times, we do not allow pupils to climb trees or the cloister walls, trample over the fountain and decorative stones, flay our trees with large sticks, let football games degenerate into a free-for-all and annoy and upset our neighbours by shrieking and screaming by the adjoining fence. We pass our duty of care to parents/carers at pick-up time and therefore ask for your support in ensuring pupils play nicely and within our normal school rules.

At the end of the school day Prep and Senior pupils can remain at school either to take part in an after-school activity or to complete homework in the Prep Room. The Prep Room is open daily until 5.00 p.m.

Staff make a point of getting to know parents and helpers who regularly bring and collect children to and from school and are asked to challenge anyone unknown. Please give details to your child's Form Teacher of any new collection arrangements.

Pupils in the 8s (Year 4) will not be released from their classrooms unless collected by an adult / carer / nanny or older sibling.

No child may be outside in the school grounds unsupervised, unless they are being collected straight after school ends from the pick-up zone outside the main building, where they may briefly wait, in safety, on the pavement until no later than 4.30pm.

Any children waiting to be collected after school are supervised in the Prep Room, so please do not ask your child to wait for you in the car park. This is not permitted. Please note that pupils in the 8s to 10s will not be released from the Prep Room unless a parent/carer collects them directly from the Prep Room. They may not leave unaccompanied.

The Prep Room is staffed until 5.00pm and parents must allow ample time to ensure their children are collected punctually. Lateness creates an unfair and unacceptable burden for our staff who are reluctant to leave pupils unsupervised for safety and security reasons.

All pupils must be collected by 5.00 p.m. Parents/carers waiting for pupils must please sit quietly in the Main Hall.

Please note that the school cannot accept any liability for any collection arrangements made privately and outside the school's jurisdiction.

Examinations and Assessment

Informal continual assessment starts in the Pre-Prep and formal end-of-year examinations are introduced when pupils enter the Prep School in the 8s (Year 4).

At the end of the Prep School, pupils in the 12s (Yr 8) sit the Independent Schools Examinations Board (ISEB) Common Entrance 13+ to graduate to the Senior School. The examination provides valuable experience in examination, study and revision techniques and an excellent grounding for the challenges of GCSE study.

In the Senior School, examinations and assessments become more frequent and formal as pupils approach GCSEs in the 15s (Yr 11). Tests are often half-termly and parents receive constant feedback on progress.

Fire Alarm Procedure

In the event of a suspected fire emergency, the alarm will sound and pupils will be led quickly and in silence to the field behind the Dining Room, where a register will be taken.

Fire notices / exit routes are posted up in all classrooms.

Harroddian School Parents' Association (HSPA)

The HSPA is a voluntary body whose stated aims are:

- to develop and sustain a cordial and mutually beneficial relationship between parents and the school
- to support the Headmaster and senior members of staff at specific school events, when required
- to help maintain the founding ethos, principles and culture of the school

- to provide feedback and advice to school management on educational as well as pastoral issues
- to help enrich the children's social and educational experience at the school by providing funds for projects and materials that would otherwise be beyond the remit or resources of the school
- to engage in activities that help support the local community as well as other charities and good causes
- to provide all areas of support to the Events' Committee

The HSPA is an invaluable link between parents and the school and holds termly meetings with the Headmaster, as well as termly meetings with the class co-ordinators.

Class Co-ordinators

Each form in the school is encouraged to have at least one class co-ordinator. Parents are asked to volunteer for this role at the start of each academic year and responsibilities include:

- Acting as a social contact for new and existing parents.
- Distributing class lists and Parents' Association communications to parents.
- Feeding back any issues or queries from parents at the termly class co-ordinators' meeting.
- Providing support to the Events' Committee through co-ordinating volunteer parents for HSPA fund raising events, such as the Summer and Christmas Fairs.

Charities and Good Causes

The HSPA has raised considerable sums of money over the years for school-based projects, as well as for local, national and overseas charities and good causes.

Over the past twenty years, the HSPA has contributed over £250,000 to a range of nominated charities; larger fund-raising gala events have also contributed to a total overall charitable donation of £750,000.

In addition, it has helped fund school projects amounting to more than £150,000.

New Parents' Welcome Evening

All new parents are invited at the beginning of each academic year to an informal gathering, where they can meet school staff, members of the HSPA and other new parents.

Homework Policy and Timetable

We believe that undertaking homework on a regular basis helps pupils develop important skills. By becoming more independent in their learning, they will benefit more from their time in school.

The school will:

- ensure that pupils are given homework on a regular basis and in manageable amounts;
- set tasks which are suitable and achievable within the time available;
- provide homework which relates to work being done in school;
- mark homework and give feedback to pupils;
- ensure that homework is at an appropriate level of difficulty for the pupils;
- provide suitable facilities for homework tasks to be carried out at school

Pre-Prep children are set the following amounts of homework:

Reception	weekly activities and key words
PP1 (Yr 1)	weekly spellings and 15 minutes' reading each night
PP2 (Yr 2)	A total of one hour of Maths, English and spellings per week
PP3 (Yr 3)	A total of one hour and 20 minutes of spellings, times tables, Maths and English per week

In addition, all Pre-Prep children are expected to read 10 to 15 minutes each day.

For pupils in the 8s and above, the amount of homework set daily will be approximately as follows:

8s (Yr4)	1 piece of homework which should take 20 minutes, plus 20 minutes' reading, spelling and times tables practice
9s (Yr 5)	1 piece of homework which should take 25 minutes, plus 20 minutes' reading, spelling and times tables practice
10s (Yr 6)	1 piece of homework which should take 30 minutes, plus 20 minutes' reading, spelling and times tables practice
11s (Yr 7)	1-2 pieces of homework which should take 30-35 minutes each, plus 20 minutes' reading
12s (Yr 8)	1-2 pieces of homework which should take 30-35 minutes each, plus 20 minutes' reading

13s (Yr 9) 2-3 pieces of homework which should take 40 minutes each
14s (Yr 10) 2-3 pieces of homework which should take 45 minutes each
15s (Yr 11) 2-3 pieces of homework which should take 45 minutes each
Sixth Form 1 hour per subject studied that day

Pupils should write the homework set into their School Planner. If there are any difficulties/issues with homework, parents are asked to write a note to the subject teacher.

The school considers homework to be a vital part of a pupil's learning and thus will not tolerate homework that is not handed in or that is inadequate and not completed to the best of a pupil's ability.

Jewellery, Hair and Make-Up

Discreet jewellery is permitted, at the discretion of the Head of Year. Girls may wear one pair of small earrings (only one earring in each earlobe). No body piercing, i.e. eyebrow ring, nose ring, navel stud, etc. is allowed.

Hair must not be extreme in style or length. Hair may not be dyed and only plain, functional hair accessories are allowed. Facial hair is only permitted in the Sixth Form.

Make-up and nail varnish are not permitted.

Learning Support

The Harrodian School is a selective school for boys and girls of average to high academic ability. Consequently, the school cannot accommodate the full spectrum of ability nor the full range of Special Educational Needs. However, the school does admit some pupils who have mild Specific Learning Difficulties and/or health problems, and for whom English is an Additional Language. These pupils are monitored and often supported with one-to-one lessons by the Learning Support Department.

For further information on any of the above please contact:

Mrs Sarah Codacci – Head of Learning Support (scodacci@harrodian.com)

Teaching in the Learning Support Department

- One-to-one support lessons: £48 per 40 minute lesson. Billed in advance, based on the number of weeks per term.

Assessment

The Learning Support Department advises on assessment for pupils of all ages and offers a variety of assessments by specialist teachers, including observation and initial screening.

For more detailed information on assessments, with the respective charges, please contact Mrs Codacci or the SENCo for your child's part of the school as follows:

Prep and Senior School SENCo: Sarah Codacci (*scodacci@harroddian.com*)

Pre-Prep School and 8s (Year 4) SENCo: Ruth Andrews (*randrews@harroddian.com*)

Individual Examination Scribing and/or Invigilation

If a pupil requires a scribe or one-to-one invigilation for either public (GCSE / A Levels etc) or internal school examinations, the school reserves the right to pass on the relevant costs to parents via termly invoices. Please contact Mrs Codacci if you wish to receive further information.

Lockers

Lockers are available and parents/carers are asked to fill in a request form available from the Admin Office. A deposit is required, refundable when a pupil vacates his/her locker and returns the key.

Lost Property

All items brought to school should be clearly named, including bags / sports bags (which must be clearly named on the outside).

To collect any lost items, please look in the yellow bin in the Main Hall.

Lost property is put out on a regular basis, usually on Fridays, for parents/pupils to claim. Any items which remain unclaimed for one term will be sold and the funds given to charity.

Lunch

Lunch is served from 11.40 a.m. to 2.05 p.m. Year groups are allocated specific times for their lunch to allow all pupils ample time to eat prior to resuming afternoon lessons. A substantial choice of fresh, good quality food is available and typically includes a hot meat/fish or vegetarian option, soup, baked potatoes, extensive salad bar, dessert and fruit. Pupils are expected to show good manners and courtesy at all times in the Dining Room.

The school aims to provide a nut-free environment, but cannot guarantee this.

Please note that school lunches are mandatory, except in the cases of serious medical conditions. Lunches form part of a carefully costed exercise and are predicated upon a 100% take up of all pupils over three full terms. Parents should be aware, therefore, that the full cost of termly lunches will be invoiced regardless of any absences due to school trips, pupil illness, A Level/GCSE study leave etcetera.

Medical Matters

The school employs a nurse who is in attendance throughout the school day. If a pupil feels unwell, he/she should visit the nurse who will assess the illness and make a decision whether the child is well enough to return to class, requires rest or needs to go home. Parents will be telephoned if their child has to be collected. No pupil should contact home him/herself requesting to be collected: this decision will always be made by a member of staff. A written record is made of all visits to the nurse and a copy is given to the pupil if the pupil receives medication.

If the nurse is temporarily unavailable and urgent attention is required, pupils should speak to one of the members of staff trained in first aid. Lists detailing these staff are displayed around school.

Parents are asked to check their children's heads on a weekly basis for evidence of head lice and to treat accordingly. Spot checks will be carried out by the nurse. If any pupil is found to have head lice, parents will be telephoned and asked to collect their child from school to treat the head lice at home. The nurse is happy to discuss methods of treatment with parents.

It is essential that all pupils who suffer from asthma have two inhalers: one to be given to the nurse to keep in the medical room and the other to be kept with the pupil at all times.

Each year, in the August mailing, parents are sent a medical details form for their child/children which they are asked to check. It is essential that parents inform the school, in writing, if any of these details change.

• Emergency Medical Treatment

Where deemed necessary by medical staff, and in the event that the school is unable to contact a pupil's parents or the emergency contact provided to the school, parents consent to the Headmaster / teacher in charge to act on their behalf and allow medical treatment to be administered to their child.

Messages for Pupils

Parents are requested to keep messages to a minimum. If it is essential to get a message to your child, please phone the school before noon to enable staff to pass messages on. Except in an emergency, please do not call with messages after this time.

Mobile Phones/Smartwatches

The school recognises the usefulness of mobile telephones/smartwatches as an effective means of communication and as an added personal security measure. However, mobile telephones/smartwatches may not be used by pupils during school hours from 8.35am-4.00/4.10pm. There are no exceptions to this stipulation and telephones/smartwatches will be confiscated if they are used during the working day. The taking of photographs or video recordings via a mobile phone is banned at all times - unless supervised by an adult as part of a legitimate school purpose. If a pupil needs to make an urgent phone call during the school day, he/she must go to Reception, the main Admin Office or Senior School Secretary's Office.

Morning Break

Morning break runs from 10.20 a.m. to 10.40 a.m. for Pre-Prep children and from 10.50 a.m. to 11.10 a.m. for Prep and Senior pupils. All pupils are expected to be outside when the weather is fine. Pre-Prep children have designated play areas close to the Pre-Prep Department where they can play under supervision. Pupils in the Prep and Senior schools are encouraged to use the space in the lower field. Only Senior pupils have access to the top astro turf (the bottom astro turf may be used by both Prep and Senior pupils).

Pupils must bring healthy breaktime snacks to school, for example, fruit, cheese, carrot sticks, rice cakes and sandwiches. Crisps, sweets, fizzy drinks, cakes, biscuits etcetera (with the exception of birthdays or other special occasions) are not permitted.

Music

The Music Department at the school is busy and productive. There is a wide range of orchestras, choirs and musical groups offered to pupils of all abilities. Private music lessons for pupils are arranged on a rota system during academic teaching periods, lunch breaks and before or after school. Pupils and parents are advised that if they have any queries about lessons or any other music activity, they should contact the Music Department directly.

Nuts and Sesame

The school aims to provide a nut and sesame free environment, but cannot guarantee this. All food, breaktime snacks, cakes and biscuits for fund-raising sales, birthdays and sports teas must not contain any nuts/sesame or nut/sesame ingredients.

Parents' Evenings

Parents' Evenings for each year group are held twice a year. Dates of Parents' Evenings are available in the Parent Bulletin at the beginning of each term.

Parents are asked to note that children may not be in school after 5.00 p.m. as we are unable to offer supervision.

Children may not play or run around outdoors and parents must therefore make alternative arrangements for their children's care. The only exception is if your child is returning late from a sports fixture / after-school club. He / she may sit quietly reading or doing homework, but if disruptive, you will be asked to take your child home.

Personal Property

Pupils are responsible for the security and safe keeping of all their personal property, including money, mobile phones, locker keys, watches, computers, musical instruments, sports equipment etcetera. Parents are responsible for the insurance of their children's personal property.

Photographs / Video Recordings

The taking of digital photographs / video recordings with mobile phones and the use of digital cameras and camcorders by pupils, parents and visitors is prohibited unless supervised by a member of staff or permission has been requested from the Headmaster in advance.

Images of the school, pupils and staff may not be circulated or posted in the public domain (e.g. by email, on social networking sites e.g. Facebook, on You Tube etcetera).

Pupils are made aware of their responsibilities in this regard and on no account are they permitted to photograph/video other pupils or staff.

From time to time the school will use photos of pupils for bona fide promotional purposes e.g. newsletters, prospectus, etc. Likewise, photos, video clips, children's work will be published on our school website. Should you not agree to this use of

photos/video clips or for your child's name to appear on our website, then parents are asked to inform the Headmaster in writing.

Prep Room

Any children waiting to be collected after school are supervised in the Prep Room, so please do not ask your child to wait for you in the car park. This is not permitted. Please note that pupils in the 8s to 10s will not be released from the Prep Room unless a parent/carer collects them directly from the Prep Room. They may not leave unaccompanied.

The Prep Room is staffed until 5.00pm and parents must allow ample time to ensure their children are collected punctually. Lateness creates an unfair and unacceptable burden for our staff who are reluctant to leave pupils unsupervised for safety and security reasons.

Pupil Behaviour: Harroddian Principles and Expectations

The Harroddian believes that all its pupils have a right to learn and thrive in a safe, respectful, warm and happy environment.

Harroddian Behavioural Principles:

All our members should conduct themselves according to the following principles:

- Behave with good manners at all times
- Show tolerance and respect for each other
- Be supportive and considerate of others
- Be helpful and cooperative
- Take care of property - your own and that of others
- Be a positive role model
- Work hard and aim for excellence

The following examples of behaviour and good manners are expected as the norm:

- Listen to and understand others, be aware of their needs and feelings
- Speak to all adults with politeness and respect
- Move around school with an awareness of others - greet people you know, open doors, walk on the right hand side of corridors, staircases and doorways and avoid barging into others
- Be aware of visitors, recognise that they may need assistance
- Be aware that you are always an example for younger members of our community

The Harrodian does not tolerate any form of intimidation or disruption to the fostering of a positive environment.

Therefore, we will not tolerate:

- **Violent and threatening behaviour, racism, extortion, blackmail**
- **Inappropriate IT use – computer hacking, cyber-bullying, endangering student wellbeing or impacting upon the reputation of the school**
- **Bullying – physical, verbal or cyber**
- **Misconduct of a sexual nature**
- **Supply or possession of pornography**
- **Theft or taking others' property without consent**
- **Damage to property, including graffiti**
- **Use or carrying of drugs and illegal substances or associated activity**
- **Use or carrying of weapons, including knives of any kind**
- **Use or carrying of tobacco or tobacco products**
- **Use or carrying of alcohol**
- **Anti-social behaviour, including rudeness, swearing, barging and running indoors**

All of the above should apply at all times, including on trips, when coming and going from school and at any other time when pupils can be identifiable as members of the school community. Pupils must accept that if they cannot keep to these principles and expectations, there will be consequences to their actions.

Harrodian Behavioural Expectations:

Around school:

- Follow teachers' instructions at all times
- Be aware of others and ensure that you conduct yourself in a controlled and thoughtful manner
- Respect and take care of property
- Adhere to the school's dress code
- Ensure that mobile phones/smartwatches are not used during the school day
- Chewing gum is not permitted – the school is 'gum-free'

In lessons:

- Arrive on time
- Bring appropriate equipment
- Be focused and on task
- Do not consume food or drink (except water)
- Write all homework in your Planner as instructed
- Complete all set work on time and to the best of your ability

Break/Lunchtimes:

- In fine weather, all pupils must be outside (unless attending an indoor club).
Red flag: Pupils are not allowed on the field.
Orange flag: Pupils are allowed on the field in trainers.
Green flag: Pupils are allowed on the field in any footwear.
- Use the Harrodian Lower Field, but always keep within sight of duty staff. Prep pupils may use the bottom astroturf (the top astroturf is for use by Senior pupils only).
- Do not run in the school buildings/cloisters as this can be very dangerous. Only enter the enclosed swimming pool area if supervised by a member of staff.
- Stay well clear of all car parks and driveways.
- During wet break remain indoors and act in a quiet, sensible manner.
- In the Dining Room you should conduct yourself in a thoughtful, sensible and courteous manner. After eating, you should clear away dirty plates, glasses etc.
- You are expected to sign up for a minimum of two activities and attendance is compulsory throughout the term.

Care of Property:

- You must accept your share of responsibility in keeping form rooms and classrooms tidy.
- Bags, shoes and coats should be left neatly at the back of form rooms or in lockers provided.

- Valuable personal items or more than £5 in cash must not be brought into school. Please be aware that The Harroddian cannot accept responsibility for the loss or damage of any sums of money or valuables, including mobile phones/iPods/iWatches etc.
- You may not take other people's property without their expressed consent.
- It is compulsory to have a padlock on your sports bag.

Prep and Senior pupils are asked to read and sign a code of expectations which is kept on their school files.

Pupils whose academic performance or behaviour becomes cause for concern, will be issued with a monitoring card and monitored on a daily basis.

Reports to Parents

Parents of pupils in Reception to the 14s and in the Sixth Form will receive one written report during the year.

Parents of pupils in the 11s, 12s, 13s, 14s, 15s and Sixth Form will receive Progress Reports at intervals throughout the year.

Pupils who have performed unsatisfactorily in several subjects are placed on a Monitoring Programme. These pupils must carry a report card, which is completed by subject teachers and monitored by the Form Teacher, Head of Year and parents.

If a Sixth Form student appears to be underperforming in many areas, the Head of Sixth Form will contact the parents and strategies for improving academic performance will be discussed and targets formulated.

Rewards, Sanctions and Exclusions

Rewards

The school seeks to encourage and reward positive behaviour.

Our focus will be on rewarding appropriate behaviour by giving tangible and intangible rewards. Examples of tangible rewards might include:

- a note in the School Planner;
- letter or telephone call home;
- display of good work;
- commendation;
- merit slip;
- Golden Book (Pre-Prep only);
- class treats;
- *Student of the Week* award

Sanctions

- should be as light as possible;
- should be as objective as possible;
- should happen quickly;
- should be clearly understood;
- should be fair and consistent

Exclusions

Exclusions are very rare at Harrodian and for each case in which an exclusion (temporary or permanent) might be considered, the decision will be made by the relevant Section Head or the Headmaster after reviewing all the facts.

Further information on the school's policy can be requested from the School Office.

School Houses

There are four houses - Bridge, Ferry, Lonsdale and Thames. Pupils are allocated a house when they join the school. Pupils are able to gain house points through sport, drama, music, public speaking, debating, citizenship etcetera. The Hardie House Cup is presented to the house with the most points at the end of each term.

School Planner

Each pupil in the 8s and above is issued with his/her own School Planner at the beginning of the Autumn Term. The Planner contains standard information on timings of the school day, expected behaviour, dress code, rules for internet use etcetera and for daily reminders and notes. It is also a useful tool for communication between parents and school. Parents are asked to check their child's Planner regularly and parents of Prep pupils to sign it on a weekly basis. Please note that replacement planners will cost £5.00 each.

Sports (including Sportswear List)

All pupils are taught by specialist PE teachers. In order to provide a comprehensive range of activities, the various sports are split across the year as follows:

Autumn Term

Health Related Fitness
Swimming – boys and girls

Football - boys and girls
Netball - girls
Basketball - boys and girls

Football - boys and girls

Summer Term

The Sports Department also offers an extensive range of extra-curricular activities and works hard to organise a full and varied timetable of fixtures against other schools.

Pupils are given the opportunity to represent either their house or the school throughout the year. The department operates a policy of inclusion, with space made for those who wish to participate as long as they attend training and are well-organised.

Pupils who are ill or unable to participate in Sport will be excused from practical activities and will be allowed to work indoors. Pupils who are able to remain outdoors must still bring in their PE kit as they will be involved as non-participants, assisting the teacher, learning valuable IPAD analysis and officiating/leadership skills, taking warm-ups and drills, as well as providing feedback to performers. No pupils are permitted to leave school due to being off sport.

Sports Fixtures

We are delighted that pupils have the opportunity to play inter-school fixtures both home and away. By accepting a place at the school, you hereby give consent for your son/daughter to take part in and travel to and from away fixtures in the school minibus, a coach or a teacher's car, unless you inform us otherwise, in writing, at the start of the academic year.

Pupils are required to sign and adhere to a fixtures protocol which is issued at the start of each academic year.

Parents are always very welcome to attend sport fixtures, home and away. Fixture lists and teamsheets are available on the website www.harrodiansports.com and can also be checked from the sports noticeboards. Spectators should confirm details by referring to www.harrodiansports.com, as changes to the fixture lists are inevitable.

Student Leadership

The school places a premium on providing pupils with the opportunity to develop the important life skills of leadership and teamwork so they can become successful young adults in their future occupations. There are a number of opportunities for our Senior pupils to take up key positions and provide support and assistance across the school.

Leadership Roles and Responsibilities

Pupils are chosen for the following positions by submitting an application and then

going through an interview and reference process.

- ***Head Boy and Head Girl***

The Head Boy and Head Girl are Upper Sixth students who head the student body, lead the Senior Prefect Committee, direct the other Prefects and act as the primary representatives of the Harrodian at major school events.

- ***Prefects***

Senior Prefects are selected in the Spring Term from the Lower Sixth and fill a functional portfolio of roles that support all areas of school life. They are gathered together under the Senior Prefect Committee and are empowered to manage their areas, devise and conduct events, support school activities and engage with the local community. Additionally, they provide guidance to the Student Council on the execution of its duties and provide a conduit for pupil feedback to Senior Management. The roles include:

- o Deputy Heads of the Prefect Committee
- o Environment Team
- o Sports Captains
- o Charities Team
- o Admissions Team
- o Prep Liaison Officers
- o Creative Arts Team
- o Comms and Media Officers

15s Prefects provide the largest proportion of peer mentors who are assigned to a form, from Reception to the 12s. They assist Form Teachers and support general class activity

- ***Mentoring***

Mentoring is an important part of the school's pastoral care system and the wellbeing of our pupils. Senior School students are selected and trained to provide one-to-one mentoring, coaching and inductions for our Prep pupils. This programme runs throughout the year, often before lessons begin, and is tailored to individual pupils. The specially designed induction for our 11s takes place in the Autumn Term. Mentoring is mutually beneficial to both the mentors and mentees and succeeds in building self-confidence, assisting integration and improving learning. The programme is led by a specially selected team of Head Mentors under the direction of two members of staff.

- ***Subject Leaders and Community Leaders***

These positions are available to those students who wish to be considered for and are able to meet the commitment required for these roles.

Subject Leaders are Sixth Form students who provide support to staff within

their individual departments.

Community Leaders are Sixth Form students who perform voluntary work within the local community as well as being Reading and Mathematics buddies for our younger pupils.

- ***Sports Leaders***

The 15s are invited to apply for a place on the Sports Leader course. This qualification uses the medium of sport to help people learn to lead. Pupils discover the essential skills of leadership: communication, organisation and motivation. Throughout the year, pupils selected for the course will learn how to lead sessions for the Pre-Prep, as well as assist in the organisation of whole school events for the Prep School.

The Sports Leader Level 2 in the Community runs in the Lower Sixth for successful Level 1 candidates. The Level 2 course builds on the content learned in Level 1 and students use their skills to volunteer in the community for 10 hours.

- ***Student Council***

The Student Council is composed of two pupils from each year group from the 11s through to students in the Upper Sixth who are elected by their peers to represent them. The Heads or Deputy Heads chair the Council and report back their work to the Senior Prefect Committee. The Upper Prep Council similarly meets once a week to discuss immediate pupil issues and take forward any initiatives.

Travel to The Harroddian

Public bus route 609 is laid on principally for The Harroddian. Buses depart from Hammersmith Bus Station in the morning at 7.53 a.m., 8.05 a.m., 8.13 a.m. and 8.21 a.m., all of which stop outside the school. In the afternoons there are two return journeys at 4.20 p.m. and 4.50 p.m. to Hammersmith Bus Station. Please note that the 609 is not an exclusive or private-hire service and other members of the public have the right to use it. The school insists on good behaviour on the bus to and from school.

Many of our pupils arrive at school by car. Safety around the school is of paramount importance. We kindly request that all car drivers give absolute priority to pedestrians and cyclists and drive with utmost care and consideration at all times.

The school operates a Drop-Off Zone in front of the school and in the loop close to the exit gate. This is designed to allow drivers to drop off children quickly without parking. It is staffed between 8.15 a.m. and 8.40 a.m. in order to keep cars moving. Pupils should exit quickly on the kerbside only. Parents are asked not to park here, even for a couple of minutes, as this can quickly disrupt the flow of traffic

in the morning and create problems for others.

At busy times, we also require drivers to turn left on exiting the school as gridlock on Lonsdale Road and the school site can quickly occur. Those wishing to head in the direction of Hammersmith Bridge can then turn first left into Suffolk Road, at the top turn left into Ferry Road, which leads into Verdun Road, where you can rejoin and turn right into Lonsdale Road. This short diversion greatly speeds up the traffic flow in and out of school as cars are not blocking the school's exit as they wait to cross Lonsdale Road.

If parents employ a regular driver or taxi service, it is their responsibility/duty to inform them of the above in order for them to comply with our car park regulations.

Trips, Educational Visits and Workshops

A variety of school trips and workshops will be provided for your child each academic year. The cost of school trips and workshops will automatically be charged as an extra and added to your termly invoice, unless cheque payment is specifically requested.

Whilst on trips, pupils are required to adhere to the school's Code of Conduct and Behavioural Expectations and the usual in-school sanctions can be applied.

Sixth Form and some Senior School trips will require pupils to make their own way to and from the venue.

The school's policy regarding Educational Visits is available on request.

Trip Consent Form

The school operates a system whereby parents (mother or father) sign a form consenting to their child/children attending day trips, excursions, field trips, participating in workshops etc which are priced under £35. Consent will, however, be sought for any trips costing more than £35.

Prior to each day trip, both parents will be sent a letter/email outlining the cost and details of the trip.

Likewise, with UK residential style trips/trips abroad, both parents will be furnished with information as and when published.

Where parents are divorced/separated it is for the parents to liaise together as to whether or not they give consent for their child to attend. Attendance on any such trips will then be confirmed by either the mother or father signing the relevant form – we do not require signatures from both parents. Likewise, it is for the parents to

liaise between themselves as to who will be responsible for payment for the trip.

Code of Conduct and Behaviour Forms

Prep, Senior and Sixth Form pupils are issued with a Code of Conduct form which must be read, signed by both parent and pupil and returned to the Admin Office. This form will be used for all school trips for the duration of pupils' education at Harrodian

Passports

To fulfil Home Office requirements, the school holds a copy of every pupil's passport on file. The onus is on parents to inform school if their child's passport is reissued or renewed. This also applies to visas, where required.

When passport details are required for school trips, the school will use the details held on file. It is therefore parents' responsibility to ensure their son/daughter uses the same passport for travel and ensures the said passport is current, valid and that any necessary visas are in place. The school will not be responsible if a pupil is denied travel in the event of irregularities with his/her passport and/or visa.

Payment Deadlines

Please note that an administration fee will be incurred if a deadline for payment is missed. Should a situation of non-payment persist, the school reserves the right to remove the pupil from the trip and parents would automatically forfeit any monies paid, including the deposit.

Withdrawing a Pupil From a Trip

If parents withdraw their son/daughter from a trip once they have committed his/her participation, a fee, as per the terms and conditions of the airline/hotel/agent may be incurred and the initial deposit payment will be forfeited.

Please note, however, that the school reserves the right to withdraw a pupil ahead of or during a trip if deemed necessary by the school for behavioural reasons, the health and safety of the rest of the party etc. In such a situation, the Headmaster would discuss the financial implications with the parent/s.

Cancellation or Amendment to Travel Arrangements

In the light of today's current political climate, or in light of other local, national or global conditions that may prevail at the time of a school trip (e.g. natural disasters, airline strikes etc), the school has the right to cancel a trip or amend any aspect of the trip, including accommodation, travel plans etc, as deemed necessary.

In the event of cancellation, we, the school would do our best to recover from the agent as large a refund as possible, if any. Should the school deem it necessary to amend any aspect of the trip, even once it has departed, the cost of the change would be passed on to parents on their return or at a later stage.

Likewise, we recognise the right of each parent to cancel their child's participation in light of the above, provided they accept the full financial implications of doing so.
