Registration Fee and Deposit

A non-refundable registration fee of £270 (incl. VAT) or £390 for overseas applications will be charged to cover the basic cost of interviews and administering the entrance examinations.

When the offer of a firm place is accepted, a deposit of £3,000 is payable for the full academic year starting in September (please note that a reduced amount of £2,000 is payable when starting later in the academic year). This is refunded when the pupil leaves the School on one term's notice – please note that parents may not deduct their joining deposit from their final fee invoice prior to their child leaving the School.

Fees are due by the first day of each term. A full term's notice in writing is required to withdraw a pupil. Lesser notice entails the payment of the term fees in full. The School reserves the right to apply increases from time to time.
