

# HARRODIAN

Harrodian is celebrating its best ever A Level results and an impressive increase in top grades at GCSE along with strong average point scores (APS) across both year groups, reports Headmaster James Hooke.

“71% of all our GCSE grades were 9-7 (the old A\*/A grades), up from 67% last year. Two pupils scored ten straight 9 grades and thirteen others scored a combination of 9s and 8s (the old A\* star grade).”

“At A Level, our proportion of A\*/A grades jumped to 52% against 49% in 2018. When factoring in B grades, the success of our pupils is further demonstrated by an impressive 80% of all grades hitting A\*/A/B.”

Above: Angelica and Sonya both scored ten straight 9s in their GCSEs.

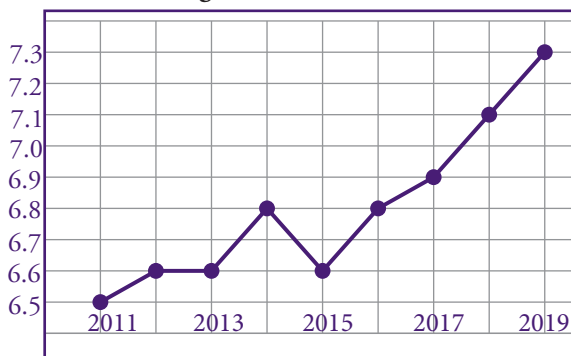

Above: Our outgoing Head Girl, Nicole, and Head Boy, Zac, celebrate three A\*s and four As between them.

“The advice and support that our students receive on results day is, I believe, second to none. Our team of staff remains determined to ensure that no student leaves the school at the end of the day without having a clear plan or a confirmed University place through the clearing process.”
