HARRODIAN

“ The academic performance of our 2022 Upper Sixth was exceptional. 78% of their A Level grades were A*/A which is an improvement on the grades awarded under the Teacher Assessed Grades (TAG) process last year when nationally the A*/A% was adjusted downwards. The quality of their destinations is similarly impressive and the broad range of their course choices reflects the continuing diversity of our students’ interests and aspirations. ”

David Behan, Head of Sixth Form
