

HARRODIAN

Pupil Safety Policy

The safety and well-being of our pupils is of paramount importance at Harrodian. The staff encourage responsible behaviour within the School and try to allow the pupil to be self-regulating in this respect.

Our documentation frequently includes the following statement that: Harrodian aims to provide a safe and secure environment for all members of the School community and maintain high standards of behaviour, care and control so that every pupil has the right to enjoy learning free from intimidation, both inside and outside the classroom.

Pupil safety is ensured and monitored by:

- High level of staff duty before and after school and during lunch
- Onsite Security Team during operational school hours
- Onsite Medical Team comprising of three School Nurses and additional first aid trained staff members
- CCTV in key places over the school site
- PSHE sessions including talks on drugs, mobile use, personal safety, alcohol consumption, etc.
- Road safety instruction and cycling proficiency
